PLEASE BRING THIS CATALOG WITH YOU TO THE SALE

Mr. and Mrs. William
W. Rapley, your host
and hostess on No-
vember 15th.

Welcome to Avenel Farm

It is with a great deal of pleasure and satisfaction that we extend to you an invitation to be with us at Avenel Farm on November 15, 1958 for our first sale of Shorthorns and Polled Shorthorns.

We have been breeding Polled Shorthorn cattle since 1950, starting with a small group of cows and the International Champion bull, Cherry Hill Royal Leader x. From that beginning until now, we have used the best bulls available and have added females that we felt would work improvement into our herd. We have retained in the herd practically all the females we produced and developed for bulls only those calves which we felt would be breed improvers. In order to get our farm producing more nearly to capacity, last year we purchased the Almahurst Shorthorn herd from Mr. Henry E. Knight, Lexington, Kentucky. This herd was developed from the very best Edellyn females offered for sale and always the top Edellyn and imported bulls were used. The result is that today we have what we feel is one of the good cow herds in the country. The bulls in service are the best we have ever used as can be seen by their progeny in this sale.

To say that we are proud of this group of sale cattle would be a gross understatement. Suffice to say that we hope they bring to their new owners as much pleasure as they have brought to us.

We hope this sale will bring all of our old friends and many new ones to Avenel. Regardless of whether you feel inclined to buy or not, you are always welcome. Come the day before for a leisurely inspection of the breeding herd and sale cattle. We will look forward to having you with us.

W. W. RAPLEY

General Information

LOCATION: This sale will be held at Avenel Farm, Bethesda 14, Maryland. Avenel Farm is located 6 miles west of Bethesda at the intesection of Bradley Boulevard (Route 191) and Persimmon Tree Road. We suggest you consult any oil company local map of the Washington area. Those coming from the north should take Route 28 into Rockville, Maryland, Route 189 southwest 6 miles to Potomac, Route 190 south 1/4 mile to Persimmon Tree Road, 1 mile to the farm. Those coming from the south who go into Washington, D. C. can follow MacArthur Boulevard northwest about 8 miles. Turn right onto Persimmon Tree Road two blocks past the Cabin John Volunteer Fire Department.

TIME: The sale will be held on Saturday, November 15, 1958, starting promptly at 12:30 P.M., Eastern Standard Time. Lunch will be available at the farm.

HOTEL ACCOMMODATIONS: We have not named any headquarters for the sale. There are many comfortable motels in the Washington, D. C. area, as well as some of the finest hotels. We will be glad to make reservations for you if you will let us know the number in your party and the accommodations desired. Contact Hal Longley or John B. Hudson.

PLEASE NOTE: Two more sales of purebred cattle of other breeds will occur within 10 miles of us on this same day. We will all be using the same motels and hotels. For that reason, we would suggest you make your reservations as early as possible in order to get a room within a reasonable distance.

TRANSPORTATION: We are about 15 miles from the Washington Union Station where trains from all directions arrive at all hours of the day, and the Washington National Airport, also served by all major airlines. We will be happy to meet those traveling by train or plane on arrival if notified in advance or you may go to the Dupont Plaza Hotel where you will be met.

The Shorthorn show at the Pennsylvania Livestock Exposition will be on Thursday, November 13, 1958. We suggest you attend this good show and spend Friday, November 14th at the farm for a leisurely inspection of the Avenel breeding herd and sale cattle. The Eastern National Livestock Show at Timonium, Maryland will start on Sunday, November 16 with Shorthorns showing on Wednesday, November 19. We would like to suggest you visit that good show and the herds in the neighboring communities before returning home. We will be happy to furnish any information in this respect that we can.

BUYING ORDERS: Those unable to attend may send buying orders to any of the following Field Representatives or auctioneers:

Hal Longley: The Shorthorn World, Aurora, Illinois.

H. W. Walker, Eastern Fieldman, The Shorthorn World, 3906 East 71st St., Indianapolis 20, Indiana.

Clinton K. Tomson: Harding & Harding, Geneva, Illinois.

Kenneth Fulk: Secretary, American Shorthorn Breeders' Assn., Livestock Exchange Building, Omaha, Nebraska.

Ed Huff, Eastern Fieldman, American Shorthorn Breeders' Assn., Culpeper, Virginia.

Warren Morse: Drovers Journal, Chicago, Illinois.

Ray Roth: Livestock Breeder, 622 Elm Street, Van Wert, Ohio.

AUCTIONEER: C. D. Swaffar.

TELEPHONES: For those who might be desirous of calling for more information or who may wish to call sale day, we list the following phone numbers:

W. W. RAPLEY, General Manager	EMPIRE 5-1113
JOHN B. HUDSON, Cattle Manager	EMPIRE 5-0556
H. F. EYLER, Farm Manager	EMPIRE 5-0679
CATTLE BARNs AND AUCTION RING	EMPIRE 5-0010

SALE MANAGER: Hal Longley, 16 S. Locust St., Aurora, Illinois. Phone Aurora 6-8511.

Terms - Conditions - Guarantee

HEALTH: The Avenel herd is Federally Accredited for Tuberculosis and Certified Brucellosis Free.

With one exception, all heifers have been officially vaccinated for Brucellosis. The one exception is noted in the footnote. Also, one bull, Almahurst Cascade, was officially vaccinated for Brucellosis. Furthermore, every animal will be tested for Tuberculosis and Brucellosis within 30 days of sale date and the results will be announced.

As a further safeguard to the health of the cattle, all animals selling will be given an adequate dosage of Hemorrhagic Septicemia Bacterin by our practicing veterinarian, Dr. Harold E. Schaden, Route 6, Frederick, Maryland, who will also be glad to give an honest report in regard to any question about the health of this herd.

Dr. George Green, Maryland Livestock Sanitary Service, Frederick, Maryland, will be on hand to issue health charts for all cattle sold.

ACCREDITED TUBERCULOSIS FREE HERD NO. 565926.

CERTIFIED BRUCELLOSIS FREE HERD NO. 6351.

BREEDING DATES: A sheet giving the correct breeding dates will be distributed sale day. All heifers with substantial breeding dates will be examined for pregnancy and the results will be announced at the time of sale.

GUARANTEE: All cattle in this sale will be sold under the standard guarantee of the American Shorthorn Association.

TERMS: Cash.

Announcements from the auction box will take precedence over matter printed in this catalog.

The above terms and guarantee constitute a contract between Avenel Farm, the seller, and the buyer of each lot. Neither the Sale Manager, the persons delegated as clerks, the employees of Avenel Farm, nor any other person has authority to alter the terms of that contract nor do any of them assume any liability, legal or otherwise.

All persons who attend this sale do so at their own risk and the owners of Avenel Farm assume no liability, legal or otherwise, for any accidents that may occur.

PLEASE NOTE: Certain animals in this sale are members of our 1958 show herd. We would like to hold them to exhibit at the Eastern National at Timonium, Maryland and the International Live Stock Exposition at Chicago. Names of these animals will be announced sale day.

As a further help to buyers, since we are showing in Chicago, we are in a position to deliver animals to the International free of charge. There are several reliable truckers available and we will assist in securing trucks at reasonable prices. We will also help in grouping together purchases going in the same direction so that you can get your cattle home at a minimum of trouble and expense.

The following motels can be recommended and are the ones most conveniently located to Avenel Farm:

All-States Inn Restaurant & Motel, Gaithersburg, Maryland, Phone Gaithersburg 18.
Bethesdan Motor Hotel, 7740 Wisconsin Avenue, Bethesda, Md., Phone OLive 6-2100.
Chevy Chase Motor Lodge, 8130 Wisconsin Avenue, Bethesda, Md., Phone OLive 6-9300.
Colonial Manor Motel, 11410 Rockville Pike, Rockville, Md., Phone Whitehall 6-9600.
Holiday Motel, Gaithersburg, Maryland, Phone Gaithersburg 624.

In Town Motor Hotel, Wisconsin Avenue & Bradley Boulevard, Bethesda, Maryland, Phone OLive 4-1400.

Motel Washingtonian, U. S. 240 at Shady Grove Road, Gaithersburg, Maryland, Phone Gaithersburg 870.

Here are some of the men who are responsible for this fine sale offering. They are shown with Scotsdale Jupiter, newest member of the Avenel herd bull battery. From left to right: John Hudson, Frank Benham, Charles Hains, and Charles Bright.

PLANNING that includes YOU

Great herds can result only from careful planning. Goals must be established, aims must not be disturbed. To accomplish the Avenel goal of building the largest and strongest herd in North America, and to include both branches of our great breed, has been a big task. From the outset our plans have included **YOU**. Along the road toward this goal we realize it has been necessary to disappoint you. Hundreds of breeders have visited Avenel during our nine years of building. Many have wanted to buy. To sell would have disturbed the Avenel aim.

Now that the goal has been reached; now that we can offer the best productions without disturbing a carefully defined breeding program; we invite **ALL** of you to participate in the accomplishments of Avenel.

The **First Annual Avenel Sale** of Shorthorns and Polled Shorthorns will be held at the farm on the outskirts of the nation's Capital on Saturday, November 15th. Although the offering will contain liberal quantities of Edellyn, Almahurst, Cherry Hill, Thieman and imported blood . . . in both horned and polled form . . . we ask that you consider these superior individuals as distinctly "Avenel" because it is through "Avenel planning" that the blends of such famous lines of blood are possible.

Avenel is completely ready . . . with herd heading bulls and herd building females . . . in liberal numbers. This sale offering is the result of nine years of planned breeding with **YOU** in mind. We offer the frosting but the cake will remain at Avenel . . . to be covered continually with new frosting.

We call special attention again to the fact that the cattle in this sale can go anywhere. The Avenel Herd is Federally Accredited for Tuberculosis and Certified Brucellosis Free.

Cows in pasture at Avenel Farm. Note the character and quality. Avenel Shorthorns wear their pedigrees on their backs.

Few herds in the history of the breed ever have reached the size and strength of **Avenel** . . . few auction sales featuring both branches of the breed, Shorthorns and Polled Shorthorns, ever have been planned with greater care than this **First Annual Avenel Sale**.

Those who know this breed are fully aware of the improving influence of Edellyn, Almahurst, Cherry Hill, Thieman, and Scotsdale blood as well as imported blood from Scotland. Although these improving lines were represented liberally in founding the herd, it remained for Avenel to plan the **blends** that have resulted in the 55 superior individuals that make up this offering.

Nine Shorthorn and three Polled Shorthorn bulls are to be sold. All are ideally suited for service at the head of great herds. Thirty Shorthorn and thirteen Polled Shorthorn females are listed. To infuse these balanced blends of the breed's most famous blood into your herd means planting the finest seed available.

Avenel has accomplished much for the breed. Shorthorn and Polled Shorthorn breeders everywhere are invited to participate in these accomplishments on November 15th. My own observation of the bloodlines that have gone into the foundation of this herd and the management practices that have been followed at Avenel Farm convinces me that this will be one of the best auction sales of the year in which to buy breed improving Shorthorns and Polled Shorthorns.

HAL LONGLEY
Publisher, The Shorthorn World

Facts You Should Know...

For a dozen straight years, Henry Knight, owner of the Almahurst Herd, Nicholasville, Kentucky, bought the tops of each annual Edellyn Farms Sale. His earlier selections were largely daughters of the Perth Supreme Champion Calrossie Mercury. Later he centered his purchases on those daughters of Edellyn Royal Leader that were out of Calrossie Mercury dams... His joint ownership of the world famous Beaufort Bulldozer with Thomas E. Wilson made it possible for him to bring about perfect blends of Mercury — Royal Leader — Bulldozer blood. The result? The Almahurst herd contained more of the richest Edellyn blood than the Edellyn Herd itself!

What happened then? Avenel Farm purchased the entire Almahurst herd . . . over 100 head, including all interests in Beaufort Bulldozer! There is today in the Avenel Herd a stronger concentration of Mercury, Leader and Bulldozer blood than was available in the dispersion of the great Edellyn Herd.

And here's how this affects YOU! Avenel is sharing this blood with the public in this First Annual Sale. Six sons and one grandson of Beaufort Bulldozer are included in this sale... Also included are twelve daughters of Beaufort Bulldozer and ten daughters of his greatest son, Almahurst Bean Buster... And don't forget, all of them are backed by strong concentrations of Calrossie Mercury and Edellyn Royal Leader blood.

Where can you find blood that will be more certain to work improvement?

SHORTHORNS . . .

Here's a sample of the Shorthorns in this sale. From left to right: Almahurst Missie 5th (Lot 34), a granddaughter of Cruggleton Guthrie; Avenel Goldie 2nd Lot 29) and Avenel Laura 2nd (Lot 32), both by Camson Better News; and Almahurst Hawthorne Lady 4th (Lot 16) by Beaufort Bulldozer.

AND POLLED SHORTHORNS.

And here's a sample of the Polled Shorthorns in this sale. From left to right: Avenel Dorothy x (Lot 55) by Birmingham Dauntless 2nd x; Avenel Augusta Lady 5th x (Lot 36) and Queen of Hearts AF 3d x (Lot 35), both by Camson Better News; and Avenel Crocus x (Lot 39) by the International grand champion TPS Max Coronet 5th x.

The very best from both branches of the breed.

BEAUFORT BULLDOZER

***famous
as a sire
the world
over . . .***

Seven sons sold at auction in Scotland have averaged \$7,900.

His first son calved in North America was the 1954 International grand champion bull and supreme champion of the show.

His first daughter calved in North America was the 1954 International grand champion female.

Two of his daughters won the grand and reserve grand championships at the 1956 Denver Show.

37 sons, daughters, grandsons and granddaughters sold for an average of \$1471 in the Edellyn Dispersion.

Purchased by us early in 1958 as an old bull, we felt that we wanted to retain as many of his daughters as possible in the herd. However, as he is still very active and breeding well, we have decided to share with the public the daughters we now have. We are therefore selling 6 sons, 12 daughters, and 10 granddaughters of this illustrious sire.

The Bulldozer type is the modern type . . .

**sire of the 1954 International
grand champion bull and female**

Beaufort Commodore by Beaufort Bulldozer. Supreme champion at 1956 Royal Highland Show for Lord Lovat, Beaufort Castle, Beauly, Inverness-shire. (Scottish Farmer photo.)

Beaufort Bulldozer — One of the greatest living sires of the Shorthorn breed. He was purchased for \$15,000 from the famous Beaufort herd, where he was used for one season before being shipped to the Edellyn and Almahurst herds. His sons head leading herds in Argentina, South Africa, Australia, and Scotland. Among his most famous sons are Beaufort Brisket, sold to Australia for \$10,800; Beaufort Brave Baron, sold to the Argentine for \$10,200; Beaufort Commodore, withdrawn at \$17,700 from the Perth sale for use at Beaufort; Beaufort Chevalier sold to the Aldie herd for \$8,700. His seven sons sold at auction in Scotland have averaged \$7,900.

His first son born in America, Ringwell Lodestar, as a junior bull calf, won the grand and supreme championship of the 1954 International. His first daughter born in America, Edellyn Clara Belle 3rd, as a junior calf, won the grand championship of the 1954 International.

The calves in this first Avenel Sale sired by Beaufort Bulldozer all inherit through their dams the improving blood of Calrossie Mercury and Edellyn Royal Leader.

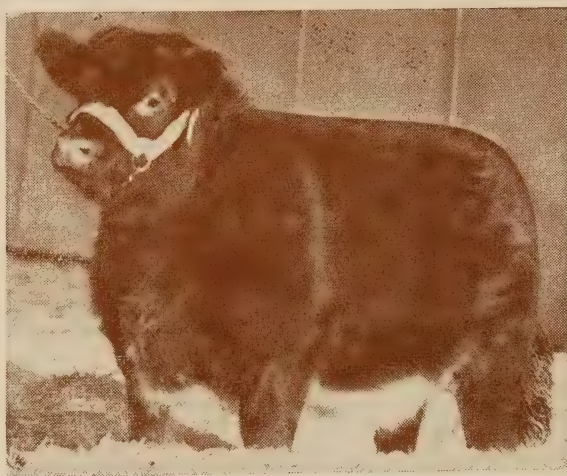

Avenel will continue the blends of Bulldozer, Mercury

that have won fame for their owners.

Almahurst Bean Buster — Generally conceded to be the best son of Beaufort Bulldozer, he is siring the type of cattle needed for today's market. His dam, a truly outstanding cow and a direct daughter of Edellyn Royal Leader, was a full sister of Edellyn Royal Leader 10th, the great breeding bull at Ohio State University, and Edellyn Clipper 40th, Reserve Champion female at the 1945 International Congress Sale, going to Cherry Hill Farm at \$3,000. The grand-dam was a direct daughter of Calrossie Mercury, thus giving him a concentration of the bloodlines that helped Edellyn Farms maintain their top herd for many years. Bean Buster was outstanding as a calf at which time we tried to buy him. Being unsuccessful at that time, we kept our eye on him for some future date. When we heard last summer that he might be bought, we lost no time in going to Almahurst to see him and his calves. The bull had developed as we had expected and was breeding even better as was evidenced by the calves on the ground. We decided the thing to do was to buy not only the bull but also the Almahurst herd in order to get the outstanding calves plus the cows with which he was crossing so well. The calves by Bean Buster selling in this sale are certainly the right kind and after looking over this good bull, I'm sure you will want some of his sons and daughters. One son and 10 daughters are selling.

ALMAHURST BALMORAL

This is a full brother to Almahurst Bean Buster, a year younger. Hundreds of critical judges of Shorthorn cattle have seen him at Avenel since he arrived along with the entire Almahurst Herd and have proclaimed him one of the greatest young stock bulls in America today. See him on sale day. You will agree that we have a wonderful "ace-in-the-hole" if anything should happen to his famous sire or his equally famous full brother.

Isn't this the type you like? They are all daughters of Almahurst Bean Buster and three of them are included in this sale. From left to right: Almahurst Eliza 5th (Lot 22); Almahurst Beauty 4th (Lot 20), Almahurst Lovely Lady 2nd (not selling), and Almahurst Secret 3rd (Lot 25).

Scotsdale Meridian — This is the latest herd bull addition and junior herd sire at Avenel. He was sired by Scotsdale Jupiter, Grand Champion bull at the Royal Winter Fair in 1955 and 1956, also Grand Champion bull at the International Livestock Show in Chicago in 1956. Jupiter, in turn, was sired by the 1952 Perth Supreme Champion, Calrossie Prefect, he by Calrossie Welcome. Jupiter's dam was a champion in her own right and a half sister to the 1948 International Grand Champion bull, Scotsdale Bombardier. Meridian's dam, Scotsdale Butterfly Highness, was Reserve Grand Champion female at the 1954 Royal Winter Fair and produced as her first calf, Scotsdale Kingsway, Reserve Junior Champion at the 1956 International. We again find Calrossie Prefect as a grand sire on the maternal side and the great breeding cow, Butterfly Baroness, a direct daughter of Kirkton Baronet, as the grand-dam. Butterfly Baroness produced four heifers that were either champions or reserve champions, all by different sires. We purchased this outstanding young bull to breed to the daughters of Beaufort Bulldozer and Almahurst Bean Buster. With his background and his general type and quality, we feel he will sire the kind of calves we are looking for.

two views of a great bull

This is Camson Better News. We show him in both posed and unposed form so that you may be familiar with his remarkable depth, thickness and character.

Camson Better News — Purchased in the Femco dispersion at a cost of \$7,600 where 29 of his calves sold for over \$30,000, he has proved to be a wise investment as evidenced by his son, Avenel Royal News, polled herd sire here at Avenel, and his daughter, Avenel Duchess 3d x, Grand Champion female at 1957 International Livestock Show. Sired by the Perth Reserve Champion, Calrossie Good News and out of a Saltoun Rothes Queen cow by Chapelton Royalist, he had the needed ancestry to be a top breeding bull. Calrossie Good News was purchased as an aged bull for use in the Bapton herd in Scotland after having sired such bulls as the International Reserve Grand Champion, Leveldale Good News and the \$12,600 Saltoun Silver King. The calves by Camson Better News, both horned and polled, are the kind that can do much for the Shorthorn breed. Two sons, seven daughters, and two grand-daughters sell in this sale.

Avenel Royal News — The first polled son of Camson Better News, he has been retained at Avenel for herd duty despite the fact that we have had some rather attractive offers to sell him. Nothing further need be said about his sire who is also listed as a reference sire. The dam, Avenel Royal Clipper A x, is a thick, deep bodied, low-set cow by the Congress Reserve Champion, Cherry Hill Royal Apollo x, who also sired a \$3,500 Congress Champion female. The first two daughters of Avenel Royal News x are selling in this sale along with several heifers carrying his service. We have a grand crop of young calves coming on by this good bull and he could possibly go down as one of the good Polled Shorthorn breeding bulls of all time. Avenel Royal News x was exhibited at the 1957 International where he stood 2nd in class and at the 1958 Ohio State Fair where he was Senior Champion.

**CALROSSIE
MERCURY**

And because of their influence on the breed in general and on this sale offering in particular, we portray here two of the most famous sires in Shorthorn history.

**EDELLYN
ROYAL
LEADER**

Two bulls, both International grand champions, that have had much to do with the high quality of today's Avenel Polled Shorthorns.

The \$20,000 TPS Max Coronet 5th x, 1953 International grand champion Polled Short horn bull. Two of his daughters will sell in this sale.

Cherry Hill Royal Leader x, grand champion Polled Short horn bull of the 1949 International Live Stock Exposition. He was a son of the greatest Polled Shorthorn improver of all time, Edellyn Royal Leader 2nd.

Calrossie Imperial, imported son of Calrossie Adonis by the noted Kirkton Baronet. Used with great success at Avenel Farm. A polled son, three polled daughters, and one horned daughter are included in this sale.

And now comes the parade of Avenel sale animals, the pick of one of the largest and strongest herds in North America. The following famous sires are represented:

Beaufort Bulldozer

6 sons, 12 daughters (Shorthorns)

Almahurst Bean Buster

1 son, 10 daughters (Shorthorns)

Camson Better News

2 sons, 2 daughters (Polled Shorthorns)
5 daughters (Shorthorns)

Calrossie Imperial

1 son, 3 daughters (Polled Shorthorns)
1 daughter (Shorthorn)

TPS Max Coronet 5th x

2 daughters (Polled Shorthorns)

Balbithan Emperor

1 son (Shorthorn)

Louada Forager

1 son (Shorthorn)

Avenel Royal News x

2 daughters (Polled Shorthorns)

Collynie Command 50th x

1 daughter (Polled Shorthorn)

Avenel Royal Leader x

1 daughter (Polled Shorthorn)

Avenel Aristocrat

1 daughter (Polled Shorthorn)

Birmingham Dauntless 2nd x

1 daughter (Polled Shorthorn)

Almahurst Goucho

1 daughter (Shorthorn)

Edellyn All Star Mercury

1 daughter (Shorthorn)

PLEASE NOTE: In several instances, we have portrayed two pictures of the same sale animals. This was done because the pictures were taken at different ages by different photographers — and to indicate that Avenel Shorthorns and Polled Shorthorns are good at any age and any way you look at them.

Avenel Typesetter x — A very nice polled bull showing a lot of promise for a herd sire. Sired by Camson Better News and out of a dam by the International champion, Cherry Hill Royal Leader, he is a three-quarter brother to our 1957 International champion female, Avenel Duchess 3d x. His dam is a full sister to Avenel Gloster 2d, purchased by Belair Farm, Bowie, Maryland, for \$2,100.

Almahurst Cascade — One of the very first sons of Almahurst Bean Buster, he is the only bull by that good sire to be sold in this sale. His dam is a beautiful imported cow sired by Kirkton Formula and of the Calrossie Broadhooks family. An imported-in-dam sister to this bull is being retained in the herd and his dam has just dropped a full sister that looks like showring material. This short legged, good boned bull was first prize junior yearling at the 1958 Maryland State Fair.

Almahurst Repeater — A big rugged son of Beaufort Bulldozer out of a very good daughter of the \$5,000 Edellyn Royal Leader 46th. His dam is a line-bred Calrossie Mercury as Edellyn Jealousy 2nd and Edellyn Peerless Mercury were both sired by that famous bull. Although he showed as a short-aged summer yearling, he stood second in class at the 1958 Maryland State Fair, being beaten only by his half-brother. With a double infusion of Mercury blood added to the improving influence of Beaufort Bulldozer, the breeding of this bull should appeal.

(Left) Edellyn Rosewood 65th the dam of Lot 5 in this sale. She established a new record for the Shorthorn breed when she sold in the 1952 Edellyn sale for \$10,000, going to Almahurst Farm in Kentucky. She is now a member of the Avenel herd.

Almahurst Royal — We had considered holding back this outstanding son of Beaufort Bulldozer to show next year as a senior yearling. However, we decided at the last minute to sell him so his new owner should have not only a wonderful prospect for a breeding bull but also a great show bull. His dam is a very good daughter of Edellyn Royal Leader 46th and of a wonderful Edellyn Orange Blossom family. This bull was the first prize summer yearling at the 1958 Maryland State Fair showing under a severe age handicap.

Avenel Headliner x — One of the very best polled herd bull prospects to be offered this year, son of Camson Better News out of a dam by Cherry Hill Royal Leader represents our most prepotent cross. The 1957 International champion female, Avenel Duchess 3d, was a three-quarter sister. Cherry Hill Souvenir x was a son of Collynie Compact x, thus giving the Edellyn Royal Leader 2nd — Collynie Compact x blood combination that worked so well for Cherry Hill Farm. A deep, thick bull with a lot of rear quarters, he could be the bull to put some herd on the map.

(Left) — Oakfield Rosewood 36th, the dam of Lot 9 in this sale. This member of the famous Calrossie Rosewood family topped the 1955 Edellyn female sale at \$4,500.

Avenel Baffler — This son of Beaufort Bulldozer was probably the most outstanding young calf I have ever seen. He grew up a bit as he got older but has now settled down and he could well be one of the very best sons of the great Beaufort Bulldozer. He is a very good headed bull, with lots of thickness and standing on a good set of legs. His dam, of the Edellyn Rosewood family, was sired by the \$5,000 Edellyn Rothes Leader, a good breeding bull that was out of the same cow as Edellyn Royal Leader. His granddam, a very good cow, was a direct daughter of Edellyn Royal Leader 23rd.

Almahurst Mayflower 7th — A beautiful headed daughter of Beaufort Bulldozer out of a daughter of Edellyn Royal Leader 46th. This heifer is the same kind as the grand groups of Almahurst heifers sired by Beaufort Bulldozer that sold in the 1956 and 1957 Edellyn sales for an average of over \$1,800. Sells bred to Scotsdale Meridian, outstanding son of Scotsdale Jupiter, 1956 International grand champion.

Avenel Rosewood 10th — Another beautiful daughter of Beaufort Bulldozer, this one out of a daughter of the great show and breeding bull, Edellyn Royal Leader 100th. The next dam was a \$2,000 heifer by the good imported bull, Saltoun Squadron Leader. This little heifer was shown at the Maryland State Fair where she stood third in a class of 13 senior heifer calves. Selling open.

There's Character and Quality in the Bulldozers

Here are three daughters and a granddaughter of the noted Beaufort Bulldozer, all selling in this sale. From left to right they are: Almahurst Beauty 3rd (Lot 17); Almahurst D Gloster 6th (Lot 15); Almahurst Mayflower 8th (Lot 19) and Almahurst O Blossom 10th (Lot 18).

Almahurst D Gloster 6th — A good big strong daughter of Beaufort Bulldozer out of a \$1,500 dam by the great breeding bull, Edellyn Royal Leader 23rd, with Cruggleton Aspiration, the good Sni-A-Bar sire, in the third generation. This heifer is not quite as fancy as most of the Bulldozers so we have mated her to her half-brother, Almahurst Bean Buster, with the resulting calf being a double grandson or granddaughter of Beaufort Bulldozer. Be sure to see the Bean Buster cattle selling in this sale and I'm sure you will want a calf sired by him.

Almahurst Hawthorne Lady 4th — This daughter of Beaufort Bulldozer is out of a dam by Edellyn Royal Leader 46th and the next dam is by Edellyn Roman Mercury by Calrossie Mercury. A nice prospect for a brood cow. She sells open but is right at breeding age to mate to your own good bull.

Where can you find heifers of more beautiful type? They are all daughters of Almahurst Bean Buster and granddaughters of the great Beaufort Bulldozer. Three of them are included in this sale. From left to right: Almahurst Eliza 5th (Lot 22); Almahurst Beauty 4th (Lot 20); Almahurst Lovely Lady 2nd (not selling); and Almahurst Secret 3rd (Lot 25).

This is strictly a production sale. The Almahurst Herd in its entirety is now a part of the Avenel Herd and all of the outstanding young animals in this sale were developed here. We are proud to offer them under the name and guarantee of Avenel Farm.

John Hudson, cattle superintendent, and Bill Ranley, manager of Avenel Farm. Why the smiles? The picture was taken just after their heifer, Avenel Duchess 3rd x, had won grand championship in the Polled Shorthorn division of the 1957 International Live Stock Exposition.

Avenel Duchess 3rd x by Camson Better News, junior and grand champion Polled Shorthorn female at the 1957 International Live Stock Exposition for Avenel Farm, Bethesda, Maryland.

Bilmar Snow Beauty, a daughter of the Perth supreme champion Drummondreach Advocate, dam by Sni-A-Bar Randolph. She is the dam of Lot 17 in this sale.

Almahurst Eliza 5th — This is the favorite of the boys at the barn and well she should be. A beautiful dark roan, thick and deep, she is by Almahurst Bean Buster with an Edellyn Classic Mercury dam that is now nursing an outstanding bull calf that is a full brother to this good heifer. This heifer is a closely line-bred Mercury — Royal Leader with the great granddam, Edellyn Eliza 26th, being out of an imported Duthie Webster Eliza cow. We exhibited this heifer to the grand championship at the 1958 Maryland State Fair and she stood second in class to the grand champion female at the Ohio State Fair. One of the best heifers to be offered this year, she sells bred to Scotsdale Meridian. What a calf this should be!

Almahurst Mayflower 9th — A very typy daughter of Almahurst Bean Buster. Her dam, a granddaughter of Edellyn Royal Leader, was the top selling female in one of the Highland View sales. We have a full sister to this good heifer that should make a wonderful junior yearling for next year's shows. From a very good family, she should make a top brood cow. However, she is a bit small, so we will probably sell her open and her new owner can breed her to suit his wishes.

Avenel Belle 2nd — This is a dehorned daughter of Camson Better News out of the top selling female in the 1955 Carona sale, a daughter of the International reserve champion, Cherry Hill Royal Oak. The Carona Belle family was Carl Johnson's best family, having produced such famous bulls as Carona Fascination x, the great sire at Lynnwood Farm. This is a nice heifer selling open but right at breeding age.

Avenel Goldie 2nd — A dark red daughter of Camson Better News. Her dam, one of our most consistent producers, was by Kelburn Yesteryear, winner of grand championship at three major Canadian shows in 1948, and the best son of Imp. Mount Banker, Perth reserve supreme champion. The granddam was a \$1,950 heifer in the 1949 Edellyn sale. A half-sister to this good heifer is in use in the Earl Stonsifer herd, Taneytown, Maryland, and a sister was purchased by H. B. Endsloew & Sons, Marietta, Pa. A grand prospect for a brood cow, selling open.

Queen of Hearts AF 3d x — At the 1957 International we exhibited a polled daughter of Camson Better News to the grand championship. Here is a half-sister that is, in our opinion, every bit as good and possibly a little bit better from a brood cow standpoint. Her dam, a polled daughter of the \$10,000 International grand champion, Sni-A-Bar Control, was reserve champion female at the 1952 Maryland State Fair and has been one of our very best producers since. Her first calf was exhibited as a steer at the 1954 Maryland State Fair where he was reserve grand champion. We refused a long price for the second calf to go for export but lost him at an early age. The third calf is in our breeding herd and the fourth was reserve champion 4-H Shorthorn steer at the 1957 Eastern National Livestock Show. This is the fifth and best to date. This is the kind of heifer we should be putting back in our breeding herd but as we want to make a successful first sale, we are including her. The granddam, Queen of Hearts 7th x, was the top selling female in the 1945 Thieman sale and is of the same family as the \$8,000 International champion, Queen of Hearts 18th x. At the Ohio State Fair, 1958, this good heifer was first prize summer yearling and at the Maryland State Fair in horned competition, she stood third in a class of fourteen. Sells open.

Avenel Jeanette x — From the very popular Carona Jeanette family, this heifer was sired by a horned son of Cherry Hill Royal Leader x that was out of an imported Cruggleton Braemar cow. The dam, a daughter of Cherry Hill Royal Oak x, is now raising one of our very best junior heifer calves that will probably be in our show herd next year. This heifer sells bred to Avenel Royal News x.

The type we like at Avenel Farm. This is Almahurst Lovely Lady 2nd, a daughter of Almahurst Bean Buster that we are retaining in the herd. The ten unpictured heifers that we added to this sale offering at a late hour are like her in type and quality.

This is our First Annual Sale. Naturally, we want to create the best possible impression. We started by selecting forty-five head that we felt would do credit to the name *Avenel*. To make even more certain, at the last minute we pulled ten head right out of our replacement group and added them to the sale offering. Although time did not allow pictures of them, you have our assurance that they are among Avenel's best in both individuality and pedigree. Here they are . . . from Lot 46 through Lot 55. We know you will like them !

Edellyn Jealousy 28th, a top daughter of Edellyn All Star Mercury. She is the dam of Lot 46 in this sale.

Avenel Jealousy E — A closely line-bred Royal Leader — Mercury heifer sired by the great champion and sire of champions, Edellyn All-Star Mercury. We purchased the dam at Edellyn in 1955 at one of the top prices of the sale. This is a grand prospect for a breeding female which we are taking out of our replacement heifers at the last minute to offer in this sale. Sells bred to Avenel Royal News x, our polled son of Camson Better News.

Almahurst O Blossom 9th — Another great brood cow prospect coming out of our replacement females. This daughter of Beaufort Bulldozer is line-bred in the blood of Cruggleton Braemar — Cruggleton Perfect with an out-cross through the great show and breeding bull, Edellyn Squadron Leader. For those who like A. J. Marshall breeding, here is some of the best all wrapped up in a real good heifer. Bred to Scotsdale Meridian, our junior herd sire that also traces to Cruggleton Perfect three times in his pedigree.

Edellyn Jealousy 14th. This daughter of Edellyn Royal Leader was one of the top females of the 1949 Edellyn sale and is now a member of the Avenel Herd. She is the dam of Lot 49 in this sale.

Almahurst Lancaster 2nd — The summer yearling heifer from our show herd, we had not intended selling this heifer this year. However, we are putting her in at the last minute and she should definitely be an attraction. A beautiful headed daughter of Beaufort Bulldozer out of one of our nicest cows, she by Cruggleton Godwin, he a full brother to Cruggleton Guthrie, the good Edellyn sire. Chapelton Crusader, one of the great sons of Calrossie Supreme, was one of the very best bulls ever used in the Cluny herd in Scotland. This is the same Lancaster family as the one that has produced so many show winners and top sellers for Marellbar Farm in Illinois. A full sister to this heifer is in the Scotsdale herd in Canada. One of our very best, this heifer is selling open.

Edellyn Orange Blossom 65th, the \$5,200 top of the 1948 Edellyn sale. She is a daughter of Edellyn Royal Leader out of a Calrossie Mercury dam. She is the granddam of Lot 52 in this sale.

Avenel Orange Blossom 5th — Another heifer which we are offering at the last minute, this is one of the senior calves from our show herd. This outstanding daughter of Beaufort Bulldozer is out of Almahurst Orange Belle 2nd, one of the greatest breeding cows in the herd. Edellyn Diamond Mercury was one of Calrossie Mercury's very best sons and one of the best breeding bulls Edellyn ever used. The granddam, Edellyn Orange Blossom 65th, was the \$5,200 top selling female at the 1948 Edellyn sale. A full sister to this heifer is in the Brown-Forman herd in Kentucky, and her two full brothers, Almahurst Bandmaster and Almahurst Billionaire, are in the Browns of Kentucky herd and The Hickories herd in Wisconsin, respectively. This heifer was first prize senior heifer calf at the 1958 Maryland State Fair. Sells open.

Almahurst Myrtle 2nd. She was the top selling Shorthorn female in North America in the year 1957 when she was purchased at \$6,000 from Almahurst Farm by the University of Kentucky. She is out of the same dam as Lot 53 in this sale.

Almahurst Myrtle 3rd — A beautiful daughter of Almahurst Bean Buster with which we really hate to part. Her dam is a very thick, deep bodied cow by Saltoun Royal Crest, he by Calrossie Good News, Perth reserve supreme champion. Royal Crest was a half brother to our own Camson Better News. The granddam, Edellyn Myrtle 25th, was purchased as a heifer for \$1,450 and produced among others the \$6,000 Almahurst Myrtle 2nd, top selling female at the 1957 Edellyn sale, going to the University of Kentucky. Of the highly sought after Myrtle family, this heifer sells bred to Scotsdale Meridian.

Edellyn Maud 15th. Avenel Farm bought this daughter of Edellyn Royal Leader 114th in the 1953 Edellyn sale at \$2,300. She is the granddam of Lot 54 in this sale.

Avenel Maud 4th x — A very fancy daughter of Avenel Royal News x, our good breeding son of Camson Better News. This thick, deep bodied heifer is out of one of the best daughters of Cruggleton Guthrie. The granddam, a \$2,300 heifer, was by the great show and breeding bull, Edellyn Royal Leader 114th. A great prospect for a brood cow, selling open.

Birmingham Secret Dorothy 2nd, first prize winner in a class of 32 senior heifer calves at the 1955 Royal Winter Fair in Toronto. She is the dam of Lot 55 in this sale.

Avenel Dorothy x — A near ideal type Polled Shorthorn female sired by the \$10,000 Birmingham Dauntless 2nd x, a great bull that is now in use in New Zealand. The dam was the first prize senior calf at the 1955 Royal Winter Fair at Toronto and the top selling female in the 1956 Birmingham sale. This is a polled heifer with almost a straight Scotch horned pedigree. For those wanting to introduce some new horned blood through a polled female, this is your opportunity.

Standard Guarantee

OF

AMERICAN SHORTHORN BREEDERS'

ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of date, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves will be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

INQUIRIES ABOUT CATTLE LISTED — The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animal listed in this catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

Avenel practices calf-hood vaccination regularly, hence no mention is made of the fact in the individual descriptions appearing in this catalog.

AVENEL *Farm*

BETHESDA 14, MARYLAND

TB Accredited No. 565926
Bangs Accredited No. 6351

November 7, 1958

Mr. Wayne C. Neely
258 Carroll Parkway
Frederick, Maryland

Dear Mr. Neely:

We hope you will join us for our first annual sale of Shorthorns and Polled Shorthorns here at Avenel Farm on Saturday, November 15, 1958, at 12:30 Eastern Standard Time.

As this is our first production sale, we have gone "all out" to present the type of cattle which we believe will be appreciated. The females are certainly the foundation kind and bred to our grand array of herd bulls; they should produce a great set of calves. The bulls are the "Herd-heading" sort and will undoubtedly produce well for their new owners. We are sure you will be delighted with the quality of the cattle presented.

As a suggestion, why don't you arrive on Friday, the 14th, for a leisurely inspection of the sale cattle and breeding herd and be our guest at a buffet supper at the Congressional Country Club just across the road from the Farm at 6:00 P. M. that evening? Let us know if you wish room reservations.

We are looking forward to having all of our friends with us on this occasion and are counting on you to be among them.

Sincerely,

A handwritten signature in blue ink that reads "W. W. Rapley". The signature is stylized with a large, sweeping "R" and a long, horizontal stroke at the end.

W. W. Rapley
